DECK THE HALLS WITH FORESIGHT AND CHEER

Here's your holiday
gift guide tailored for
the Holiday Headstarters.

YOU PLANNED AHEAD, NOW LET'S PLAN FOR AFTER

- * **THE CONTAINER STORE** is not only the perfect location to pick out some finishing touch gifts for your friends and family who like to organize, but it is also a great location to pick out bins to organize your holiday gear for next year.

FIND YOUR HOLIDAY FIT

- * You've got all December long to pick out your holiday outfit. **LOFT AND MEN'S WEARHOUSE** have a wide variety of sweaters, button-downs, dresses, blouses, shoes, and accessories to make you shine as bright as the holiday lights with your family.

HOLIDAY FEAST INSPIRATION

- * Once you have all your shopping done early, next on the list is cooking! **BARNES & NOBLE** has a cookbook that'll bring you inspiration no matter what you want your festive feast to consist of. Try out the Harry Potter or Christmas Country Living Cookbooks, or find new recipes that fit any dietary restriction like any of their vegan or dairy-free cookbooks.

YOU'VE DONE ALL THE HARD WORK, NOW LET'S RELAX AND HAVE SOME FUN

- * The holidays are all about getting to spend time with your loved ones. Bring your family and friends along for your shopping journey and stop by **PRESSED JUICERY**, **BOBER TEA**, or **BUCKHORN GRILL** to grab a sweet treat and bite to eat to congratulate yourself on all your hard work to prepare for this season.
